

CUSTOM WINE RACK – PROJECT – Kew VIC

THE HOME

1) Based in Melbourne's suburb of Kew, this home has had a substantial upgrade including a new lower level wine cellar with climate controlled A/C and cigar humidifier.

THE IDEA

2) Create an aesthetically appealing custom made wine storage and display cellar which utilises available wall space as efficiently as possible. Accommodate both standard bottle storage and larger magnum bottle storage with label display.

THE SOLUTION

3) Our wine racks provided all the required objectives with great aesthetics, good use of available wall and floor space and with 110 bottle storage per M2, Bordex are the most space saving wine rack units in the world.

In addition, to take advantage of all available floor space, 2 Double Depth All Label Display racks were placed centrally to create further storage and "show case" our clients prized wine collections.

THE INVESTMENT

4) 3 Walls 22 Pockets High 2130mm x 35 Pockets Wide (Includes the unique Bordex "Cornerex System") + 2 Double Depth All Label Display racks = Total Bottle Storage 2886. RRP = AU\$12,120 (4.20 per pocket).
