

CUSTOM WINE RACK – PROJECT – Perth CBD

THE HOUSE

1) Based in Perth's CBD, this penthouse had amazing finishes and a very creative wine cellar!

THE IDEA

2) Create a unique effect with "curved" Bordex wine racks modules, fitted to marine ply board. This unique cellar was also finished in brushed steel exterior, a truly amazing cellar!

THE SOLUTION

3) Our wine racks provided all the required objectives with great aesthetics, good use of available wall area and with 110 bottle storage per M2, Bordex are the most space saving wine rack units in the world.

THE INVESTMENT

4) Custom made to suite "curved" walls and required height = Total Bottle Storage 1250. RRP = AU\$5250 (4.20 per pocket).
